Description

A charming set of late Victorian dominoes or dominos all in very good condition with a handsome polished wooden storage box with a sliding lid. This harder-to-find set (I have waited for a year or so for a good set of these) is a double nines set, containing 55 tiles and a good size with brass pin construction securing the real bone top to the Ebony base. A set of double-nine dominoes allows you to play some of the more complicated domino games. They can also be used to add variety to the simpler games, or to allow more people to play them. Dating to around 1890, a superb set ready to use. A couple of minor imperfections (two shown). The box measures 10 5/8" x 2 3/8" x 2 1/2" tall. Each domino measures 1 3/4" x 7/8".
