Description

Very attractive pair of antique decorative side tables in mahogany, with plenty of carvings & with marquetry on the tops set in walnut panels. They are in good original condition & are very versatile tables with many uses. They are also quite unusual in design & I would say they date from around the 1910 - 20's period. They are beautifully carved all around with lovely shaped out under-tiers. Please enlarge all the images to appreciate all the features.
