Description

A Wonderful English 19th Century Oak Butter Churn on a Pine Stand This is a very attractive piece it has had a sympathetic makeover and looks good, it would make an excellent display piece though I doubt if it could be used to make butter these days I am sure there are regulations against and the wood is probably too dry to hold liquid now. Otherwise it is sound no loose joints and no wood worm, it is 48" high and 39" wide NY133 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk All our items are covered by the Distance selling Regulations.
