Sold**Item Reference: SA264542****Date of manufacture: 1860**

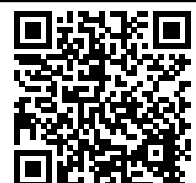

Description

Antique Victorian walnut spoon back chaise longue with lovely carving all over the frame & legs. It has just been re-upholstered in a cream fabric with a deep buttoned curved inside back & the frame has been polished too, so it's in good condition all over. The curvaceous frame sits on carved cabriole feet which still have the original white porcelain casters attached. I must stress that this is an original Victorian chaise longue dating to around the 1860's period & not one of those dreadful copies that have flooded the market. Please enlarge all the images to appreciate the depth of carving. There are actual flowers carved into the frame. The fabric is quite thick, very strong & is double piped all over. Width - 57", 144 cm Depth - 34", 86 cm Height - 35", 89 cm Seat height - 15", 38 cm PLEASE VISIT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MANY MORE ITEMS
