Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier swiss maker Omega. The watch is the Seamaster calibre 503 20 jewels automatic movement, as you can see it is in fabulous condition. The dial is incredibly rare with it being a two tone harlequin crosshair, it is in credible condition with luminous hands, baton markers and calender. It has the Omega logo on the crown and buckle. It has a heavy screw back stainless steel case with gold plated bezel which has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality chestnut brown leather strap and a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding original condition and highly sought after by Omega collectors. The watch has been fully serviced by the Omega specialist Alan Williams FBHI and is guarante...
