Description

A wonderful set of Georgian drawers circa 1780. The chest has two short over three long drawers, all bow fronted and cock beaded with a shaped gallery to the front and sides, the top with an ebonised detail. Good condition some age related wear, the handles have been changed but are period and were changed soon after the drawers were made. They have certainly been on the drawers for the majority of their lives. 40.5 x 21.5 x 29.75 inches
