Pair of Antique Carved Mahogany Wing Back Armchairs

Sold**Item Reference: SA265897****Date of manufacture: 1910**

Description

This very impressive pair of antique wing armchairs have a great look & are very comfortable. I would date them to around the 1910-20's period. When I got these all the upholstery was hanging off, so I had them completely re-upholstered in a very strong heavy weight neutral fabric. I normally tend to do them in leather, but this way I can keep the price down. I must say, I was very pleased with the final result, so I will do some more like this when I can find the suitable frames. They are fully upholstered with proper original springs & loose cushions. They also sit on carved claw & ball feet. Width - 32.3", 82 cm Depth - 29.5", 75 cm Height - 40", 102 cm Seat height - 18", 46 cm PLEASE VISIT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MANY MORE ITEMS
