Price

Sold**Item Reference: SA265899****Date of manufacture: 1910**

Description

This pair of antique mahogany beautifully shaped side tables would work well as bedside tables or lamp tables. They are great quality with original marble tops, good crisp carvings & well shaped legs. The front & backs are bow fronted, while the sides are serpentine shaped, plus they have canted corners. The backs are finished too, so they look good from all angles. Below the marble tops are pull out slides & flame mahogany drawers with original brass handles. They are French in style & I would date them to around the 1910 period. Please enlarge all the images to really appreciate the features & quality.
