Description

Pair of Painted Shop Tobacco Jars These splendid Tobacco Jars came from an old fashioned tobacconist, they are made in pottery and brightly painted, the paint is original but there are signs of flaking and some minor chips. One is painted in a fiery red, the other in moss green and both are decorated with the same scene with an Indian and a Tobacco Baron one either side of the BLACK SHAG Label. The jars have their original brass lids which could be polished if preferred but they have been left dull. The jars are 10" high and 7" in diameter.
