Antique Edwardian Desk Chair with Leather Seat

Price

Sold**Item Reference: SA266458****Date of manufacture: Edwardian**

Description

A handsome antique Edwardian mahogany desk chair with leather seat and extensive stringing decoration. It has a delicate pierced oval design to the back splat along with shaped arms on turned supports. The legs are square and tapered and the drop in seat has been newly reupholstered using a tan brown real leather (with an orange undertone) which has a lovely vintage feel. Very solid and in good condition would make a lovely desk chair, hall or bedroom chair. Construction/Wood: Mahogany Condition Report: Good condition. Solid a few marks commensurate with age. Newly reupholstered in a real leather in tan brown. Dimensions: Width: 21.5" Depth : 18.5" Height to seat: 19" Overall Height: 39" Delivery: £34.95 to mainland England Via Furniture Courier Other areas of UK please ask us for quote
