Description

Professionally serviced with a 12 month warranty. Solid 14ct gold gents pocket watch by the premier Swiss maker Omega. The gold plated 17 jewel 37.5T watch movement is just superb, as you can see it is in fabulous like new condition. It has a gilt dial with the sub seconds dial and gilt hands all of which are totally original. A new mineral glass fitted and the case professionally cleaned and polished so it is absolutely pristine. Very much of the Art Deco design, a slim case which simply glides into the pocket. It comes with a presentation box. The serial number on the movement dates this watch to 1944. The watch case is 45mm in diameter. Omega is one of the most premier watch makers and this watch certainly has that understated elegance that whispers class. If being over critical there is a slight dent on the dial between the 9 and centre which can be seen in the magnified photographs, as this watch is 70 years old it is our job to restore as opposed to replace to keep its authenticity. The watch has just been fully overhauled and serviced by Alan Williams FBHI. It has been fully authenticated and found to be a genuine Omega in all respects. This watc...
