Depth = 16 cm (6.3")

Description

Circa 1910-1930, a pair of brass door handles for a latch door made by the famous Gibbons company based in Wolverhampton. Gibbons were established in 1894 and were known to be makers of quality door items. Their company mark can be seen clearly on the back of both handles. They measure 29cm in length. There are no signs of repair or damage, and there are six drill holes to make fitting easy. Postage and packing within the UK mainland only is included in the price, but we are happy to supply quotes for delivery elsewhere.
