ANTIQUE CHROME LAMP WITH ORIGINAL PERIOD SHADE

Price

Sold**Item Reference: SA268132****Date of manufacture: 1910**

Description

This lamp is chrome on brass and is therefore surprisingly heavy. It is in excellent condition and we have had it rewired by a qualified electrician using silver flex cable. We have used an original glass shade we felt suited it, and it is included in the price. However, any glass shade can be used as we will include the chrome shade carrier with the lamp. The light measures 45cm in height from the base to the top of the shade and the base is 12cm in diameter. The shade is 20cm in diameter at the lower edges. Postage and package with the UK mainland only is included in the price, or the light can be viewed in the Surrey area by appointment. We are happy to supply delivery costs for outside the UK.
