

SA269070**PHILIP'S 9 INCH TERRESTRIAL
GLOBE on TURNED WOOD
STAND c1920**

Price

Sold**Item Reference: SA269070****Date of manufacture: 1930**

Description

This attractive PHILIP'S 9 INCH TERRESTRIAL GLOBE stands approximately 16 inches (40.5 cm) and dates from around 1920. The GLOBE is mounted on its original turned and ebonised wooden stand with brass meridian half circle. There is some age-related wear to the globe as would be expected. The GLOBE turns well and has good colour and patina which only age can bring.
