A PAIR OF GLASS MARIE THERESE WALL LIGHTS

Price

Sold**Item Reference: SA269312****Date of manufacture: 1910**

Description

This pair of wall lights date from around 1910-1940 are in the style of the Marie Therese chandeliers that were popular at that time. They have been rewired for the UK market and have replacement candle tubes fitted. They measure approximately 32cm across and the length from the top of the backplate to the bottom drop is 24cm. Postage within the UK mainland only has been included in the price. We have a range of similar wall lights in stock, some are more ornate, so if you are looking for wall lights we can supply photographs of lights we are about to rewire, or have recently bought in.
