Description

Small one piece antique pine wardrobe. Circa:1920's. A small wardrobe with lovely carvings on the doors. 2 doors and a drawer at the bottom. The internal depth is 19" which is nice and deep for such a small wardrobe, so it will take a normal sized hanger. The internal arrangement of partition and adjustable shelves can be removed if required so you have the full width for hanging, or I could fit another shelf or 2 if preferred. Please be aware this piece does not dismantle so it's best to measure very accurately if going up your stairs. Height:73.5", width:46", depth:23.5", internal depth:19". £77 extra if you'd like this waxed for you.
