Antique Victorian Balloon Back Desk Chair with Leather Seat

Price

Sold**Item Reference: SA269484****Date of manufacture: Victorian**

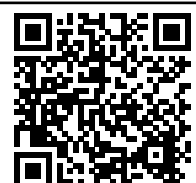

Description

A handsome antique Victorian mahogany balloon back desk chair with leather seat. It has a shaped top rail and an attractively carved bottom rail. It stands on turned legs and has a drop in seat which has been newly reupholstered in a tan brown real leather (with an orange undertone) which has a lovely vintage feel. Very solid and in good condition would make a lovely desk chair, hall or dressing table chair. Construction/Wood: Mahogany Condition Report: Good solid condition with marks commensurate with age. Newly reupholstered in a real leather in tan brown. A split to the veneer across the front seat rail. Dimensions: Width: 18" Depth : 15.5" Height to seat: 17.5" Overall Height: 34" >>>> Delivery: £34.95 to Mainland England/Wales via courier >>>>
