Sold**Item Reference: SA269516****Date of manufacture: 1950**

Description

This is a very fine and exquisite example of a ladies wristwatch made by the premier Swiss maker Movado during the 1950s. It has a round platinum case surrounded by a row of diamonds and then more baguette diamonds to the lugs, they are evenly matched and are bright, crisp and this is complimented by the new sapphire glass to give it that extra sparkle. It has approximately 1.0cts of diamonds. The actual dial is 15mm in diameter not including the crown but the case and shoulders is 26mm long. The platinum case was made by Vertex, another premier Swiss watch maker. It is quite stunning with a silver dial which is in perfect condition. A new glass has been fitted and the watch case professionally cleaned and polished so it is absolutely pristine. It has a brand new black leather slender strap. The 17 jewel manual wind movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It comes complete with a new presentation box to keep your watch in perfect condition. This watch certainly has that understated elegance which resonates class, beautiful with that little black dress! Overall thi...
