Description

This very impressive pair of Bergere armchairs are amazing quality & are in lovely original condition. They have just been recovered in a greyish linen fabric & are very comfortable, because the cushions are generously filled with new feathers. These armchairs are Swedish & are Satin Birch, with wonderful carving all over. Please look at all of the images to appreciate the details. They have very generous proportions, with carved scroll over arms, plus ball & claw feet. I would say they date from around the 1910-20's period. Satin Birch is one of my favourite woods, because it has a lovely glow to it. These chairs still have the original cane, which is still in good condition & is double cane all over. Width - 30.5", 78 cm Depth - 34", 86 cm Height - 29", 74 cm PLEASE CHECK MY WEB SITE www.churchstreetantiques.net FOR MANY OTHER IMAGES & LOTS MORE ITEMS
