Description

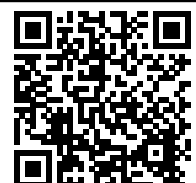

This is a Charming 18th Inlaid Century Court Cupboard This is a piece of age darkened oak furniture, the top section has along cupboard enclosed with a carved panelled door each side and an inlaid decorative centre panel, it may also be of interest that despite the height of this piece it has a polished top possibly indicating that it may be a Scottish piece The lower section has a large shelved cupboard with two carved doors on the front The cupboard is a very old and very heavy it has had restoration work carried out on it in the past but this is to be expected and it has been sympathetically done, other wise it is in good condition The cupboard is 63" high, 63" wide and 19" deep NY87 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days
