## GEORGE III MAHOGANY ARM OR DESK CHAIR. C. 1800

Price

**Sold**

**Item Reference: SA271880**

**Date of manufacture: 1800**

## Description

Good George III mahogany arm / desk chair of a very nice design. Made from good quality, nicely grained mahogany, the whole chair being a pleasing shape. The back splat is especially pleasing, being of fretted design with no breaks or repairs. Curved front rail with curved top rail and scratch moulding to the legs. Very nice Georgian chair, great for putting with a desk or bureau. SIZES; 22" across the front, 36" high overall
