Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. This is the Prima model which has a solid 9ct rose gold case with lovely design lugs and the whole look is very much of the Art Deco era. It is extremely rare with its original mushroom cap winding crown. It is quite stunning with a flawless dial and slender brand new black leather strap. It has just had a brand new glass fitted so there are no scratches and there is no inscription on the back. The manual wind movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Rolex the watch is fully marked on the dial and movement. It comes complete with a period presentation box. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case is large and measures 24mm in diameter not including the crown. Overall this watch is in beautiful near mint condition and looks as if it was hardly ever worn, it would certainly make a perfect gift especially for a lady. The watc...
