Pair of Antique Original Leather Tub Armchairs

Price

Sold**Item Reference: SA272224****Date of manufacture: 1910**

Description

This pair of antique tub shaped armchairs are still upholstered in the original leather, which is in good shape & they have a great original look. There is some natural distressing on the leather, but there are no splits or tears. They sit on turned bun feet which have the original casters below. I would say they date to around the 1920's period & because of the tub shape, are very comfortable. They still have the original coil springs inside & they are quite soft to sit on, because the springs have softened up. However, considering they are about 100 years old, they are still okay. If you are looking for a hard firm seat, then these are not for you, unless you wish to re-spring them, which could easily be done. Width - 29", 74 cm Depth - 28.5", 72 cm Height - 29", 74 cm Seat height - 14.5", 37 cm PLEASE VISIT MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MANY MORE ITEMS
