Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Longines. It has a solid 18ct white gold case and 20 of the most exquisite diamonds which are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing. The total carat weight is approximately 0.5cts. It was purchased from the jeweller F W Eisenhart, Interlaken, Switzerland for 174 Swiss Francs and all paperwork is present. The dial is absolutely superb with no marks or scratches. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. It comes complete with a brand new strap. The 17 jewel manual wind movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Longines the watch is fully marked on the dial, movement and the case which is also marked 18ct and has been fully tested. It comes complete with its original presentation box, receipt and paperwork. This is truly an exceptional piece and would have been bespoke made for someone special, a rare find ...
