A Very Handsome Victorian Partners Desk

Price

Sold**Item Reference: SA272664****Date of manufacture: Victorian**

Description

The desk comprises of nine fielded panel drawers, which are exactly the same either side on which are brass plate handles and escutcheons. The top has a newly fitted green leather inlay with blind and gold tooling. The construction of the H.G. Webb desk which splits into three parts, is solid mahogany with panelled sides. This quality, late Victorian desk really needs to be seen as the photos 'do not' do it justice. Dimensions 75cm height 107.5cm depth 136.5cm length
