Description

Victorian mahogany pedestal desk A superb example of a Victorian pedestal desk with rounded corners. To the rear the desk has dummy drawers and so would look great in the middle of the room or away from a wall. The inset high quality hide leather writing surface is in an antiqued tan with gold tooling. There are 3 drawers along the top and 3 drawers to each pedestal. Choosing a desk is a big decision, by purchasing a desk from Hingstons it is your safety net. I take time selecting the best designs, and finding the best quality desks in the market. I turn down the majority of desks offered. I use experienced cabinet makers and polishers in the renovation process.
