Description

Massive Gilt Brass Gothic Clock Set ~ Antique French - Circa 1880 ~ ~ Excellent condition ~ ~ A magnificent and truly colossal antique French clock set dating from around 1880. It is not only tall, it is also boldly proportioned and very heavy, you will require a strong mantle or side table to accommodate this clock set! The set is heavily modelled in gilded brass which is in excellent original condition. The case is of Gothic design, with mythical creatures and armorial symbols and designed as a pointed arch containing the dial which is modelled as a rose window. It has 4 enamel cartouches mounted behind gilt brass tracery and is complete with blued steel hands. Below the dial the front of the case is fretted which allows a glimpse of the pendulum swinging. The clock is surmounted by a large urn supported by flying buttresses. The candelabra have large bases following the design of the clock above which are urns which are mounted with 7 lights, a centre sconce surrounded by 6 arms, three of which are mounted low and 3 high. The French movement is of the highest quality and is in excellent clean and running condition having been fully serviced by our clockmaker....
