Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 552 24 jewels fully automatic movement, as you can see it is in fabulous condition. The linen textured dial is absolutely original and untouched. It has gilt dagger hands and baton markers. It also the Omega symbol on the crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It is attached to a solid 9ct gold brick link design bracelet and the whole watch fits a wrist size of up to 7.75 inches but this can easily be reduced to fit any wrist size by a competent jeweller. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced by Simon Batchelor MBHI and is guaranteed to be a genuine Omega ...
