Description

A vibrant and striking desk set comprising a stationery box and portfolio blotter. Both pieces are smothered with various Chinoiserie style scenes, some of the decoration being raised. The box opens to reveal a fully fitted interior, unusually in wood. The previous owner looks to have attached a shoe lace to keep the box upright when opened, this could be removed if desired. The matching blotter is backed with leather and opens to reveal a pocket one side to store spare blotting paper. Excellent condition, minor wear commensurate with age. The box has a footprint measuring 10 1/2" x 5 1/2" and standing 7" tall at rear; the internal compartments measure 8 3/4" in length. The blotter measures 11" x 9 1/4".
