Description

A wonderful little Jewelry box dating to the Regency era, around 1820. The box stands on four very grand and very English cast Lion's paw feet and each side having a wonderful Lion's face ring handle. The box is covered in red leather, the interior gives you a glimpse of the vibrant colour it would have been 200 years ago, the exterior sporting a fabulous aged patina. The inside of the lid has the most charming engraving on cream silk (a couple of minor imperfections, commensurate with age). Complete with a working key, a lovely box in very good condition. Measuring 6" x 4" foot to foot x 3 3/4" tall. Item ID: 35697 FREE Worldwide Registered Airmail Directly from London, England
