Description

Large Bronze Antique French Clock Set ~ French - Circa 1880 ~ ~~ Excellent condition, fully overhauled ~~ A large and stunning original antique French bronze clock set. It is beautifully designed in the classical taste, of architectural form with bold scrolling acanthus bracket feet standing on an integral base. To the top is an elaborate finial and beneath the dial, the front of the case is fretted to allow the pendulum to be seen swinging within the case. Candelabra are conforming in style with four branches of scrolling acanthus supporting four nozzles with a fifth to the centre in which the original snuffers sit when not in use. The original bronze patination is in lovely condition with a deep golden brown colour. The stunning dial is gilt brass with 12 individual enamel cartouches, original blued steel hands and convex glass. The rear door is also glazed to allow the movement to be seen, either if the set is displayed in the centre of the room or perhaps if it is displayed in front of a mirror on a mantle. The French movement is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replace...
