Antique George III Mahogany Stool - Georgian Stool

Price

Sold**Item Reference: SA276802****Date of manufacture: 19th Century**

Description

A charming antique Georgian stool dating from the early 19th century. In solid mahogany, it stands on channelled straight legs with applied pierced spandrels to the corners. The drop in seat has been newly reupholstered in a cream self-patterned brocade fabric. Would make a beautiful piano stool or dressing table stool.

Construction/Wood: Mahogany Condition Report: Frame is in good condition nice and solid with wear and marks commensurate with age. Some of the spandrels (corner pieces) are replacements. Dimensions: Width: 20.5" Depth: 16" Height :19.5"
