Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian solid brass oil lamp dating to around 1890. It has a beautiful cranberry coloured glass reservoir and a superb fluted cranberry glass shade. The lamp really stands out because of the fabulous solid brass Corinthian column, the square base with scroll feet and of course the cherub on one side which just finishes it off and is so different from other oil lamps, it will definately be the centrepiece in the home. It has been fully and professionally restored with the brass being bright and crisp yet retaining the patina you would expect from a lamp of this age. The shade, reservoir and chimney are in perfect condition with no chips or cracks and it is extremely heavy. It measures 25" maximum height and the base is 5.75" square. Delivery within mainkand UK is included in the price.
