Description

A gents 1960s Omega Seamaster wrist watch. The watch has an automatic movement which is ticking away nicely and the time keeping is good. The watch measures 33mm diameter excluding the winding crown and the lugs. The stainless steel case is in good condition, and it has the raised Seamaster logo to the back. The winding crown has the Omega logo. The lens has the tiny clear Omega logo to the centre; the lens is in good condition. The dial has the applied Omega logo and is also signed Omega, Automatic, Swiss Made. There is minor marking to the dial and some discolouration. Original hands, centre seconds and a date display. A new black leather strap has been fitted.
