Sold**Item Reference: SA277405****Date of manufacture: 1910**

Description

Professionally restored. This is a fabulous opportunity to acquire a solid brass genuine Edwardian table or desk lamp dated to around 1910. It has the wonderful balastrade design ending on a hexagonal base and wooden plinth. It also has a brand new shade in a red swirl design which comes with the lamp. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Edwardian pieces. It measures 15 inches in height excluding the shade and the base is 5.5 inches across. This is a beautiful genuine lamp and not to be confused with reproductions. Completely rewired by a fully qualified electrician and ready for immediate use. If you prefer the lamp without the shade a reduction in price can be arranged.
