Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is one of the very first solid 18ct gold Omega Seamasters fitted with the highly reliable calibre 354 'bumper' automatic movement. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring, it is extremely rare to find this in a solid 18ct gold case. The textured or linen dial with gilt numerals and baton markers is in mint unmarked condition. It has gilt hands. It also the Omega symbol on the crown and an Omega buckle. It has been professionally serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box. The heavy solid 18ct gold screw back case is fully hallmarked. It comes complete with a new premium quality chocolate brown leather strap. Omega are one of the most exclusive watchmakers in the wo...
