Description

A very elegant dropdial wallclock by F.W.ELLIOT of LONDON. Elliots are regarded as very high class clockmakers. The 8 day, chain driven fusee movement has just been fully serviced by our BHI registered staff. Both the dial and the movement bear the Elliot name. The clock has a 12" convex white painted dial with black Roman numerals and black spade hands. It has a convex glass front opening door with a heavy cast brass bezel. The mahogany case is nicely polished and benefits from a very narrow surround to the face which is a much sought after feature. There is an opening door fitted to the lower of the clock. 12 MONTH GUARANTEE. Dimensions: Height 21" (54cm) Width 14" (36cm) Depth 5" (13cm)
