Description

A very fine example of these delightful and popular clocks. The 4" enamelled, arcaded dial is immaculate, with no chips, cracks or crazing and no loss to the applied arcading or the black Arabic numerals and minute ring. It has lovely embellished hands and a brass bezel. The 8 day French movement strikes on a bell on the half-hour and the hours and has just been fully serviced by our BHI registered staff. The clock has bevelled glass to all sides and front and rear opening doors. It has a mercury compensating pendulum ensuring accurate time keeping throughout temperature changes. A very beautiful clock. Guaranteed for 12 months. Dimensions: Height 16" (40cm) Width 9" (23cm) Depth 7.5" (19cm)
