## Description

This ENGLISH PORCELAIN VASE, in the COALPORT/ MINTON style, dates from circa 1860. It stands approximately 9.75 inches (25 cm) high. The VASE is painted with two floral panels and embellished with applied blooms, buds and foliage, all highlighted with GILT. The condition is good. There is minor restoration to a few of the leaves and petals and, similarly, minor chips. This is nearly always the case with these vases as they are so profusely decorated. There is no restoration to the body of the VASE.
