AN ONYX COLUMN TABLE LAMP

Price

Sold**Item Reference: SA279145****Date of manufacture: 1910**

Description

This is lovely solid onyx column lamp, designed very much in the 1910-1920's style, with no damage at all. There is a little wear around the very edges of the base, but no chips or cracks. It measures 32cm up to the base of the lamp holder, and the base is 10cm square, and we have wired it with brown flex cable to UK specifications, and it has a new felt base. It can be viewed in the Surrey area, or we can answer further questions if necessary. Postage and packing within the UK mainland is included in the price.
