Description

A beautifully balanced trilogy of old cut diamonds. This is all about the quality of the stones, which are all of the highest quality. The diamonds are set in a milgrained rub-over setting in white gold to emphasise the colourlessness of the stones. Elegant, simple and quite frankly sensational! Cut - Old Cuts. Colour - G; near colourless. Clarity - SI1; some minor inclusions visible with a loupe but all stones are eye clean. Carat - Central stone is approximately 0.35 carat and the outer two are estimated at 0.20 carat each, so a total approximate diamond weight of 0.75. Circa - 1920. Condition - Excellent. Size - Currently L (UK) or 5 1/2 (US). Complementary sizing is available, can be sized up or down. Metal - 18k yellow gold with a 18k white gold top. Stamped.
