Antique Edwardian Mahogany Revolving Bookcase

Price

Sold**Item Reference: SA280131****Date of manufacture: Edwardian**

Description

An antique Edwardian revolving bookcase in mahogany with inlaid and satinwood banded top. It has 8 compartments for books with 4 sets of full length slats down each side. To the top there is a central inlay of a decorative lozenge. It rests on a cross pedestal which stands on casters for ease of movement. Construction/Wood: Mahogany Condition Report: Solid some marks commensurate with age. The central lozenge appears to be a later addition - there is also some discolouration to the top and a few marks where the lozenge has been added. Dimensions: Width: 18" Depth: 18" Overall Height: 33"
