Description

An impressive oil painting on artists board titled The Roaring Sea by sought after talented artist Robert Dumont Smith born 1908. The realistic appearance of the choppy seas and excellent skyline, are a credit to the artist, who has accurately captured the realism and full on roughness of the sea waves breaking as they approach the shoreline. Painted extremely well by a competent hand, achieving a standard of work hard to produce with choppy waves. FRAME A shabby chic antique style frame which suits the subject matter, enhancing the overall appearance. DATE Approximate dateline 1930-40 CONDITION Very good condition.
