Description

ANONYMOUS: a charming PAIR of 19th century FRENCH BRONZE FIGURES in splendid condition and of good patina. Of very good quality they depict a couple (perhaps Street Vendors?): she wears a long dress, her shoes peeking cheekily beneath, apparently offering a basket of fruit, whilst he wears a long cloak with a fur collar, carrying a stick in his right hand and holding a valuable object in his left. Both are mounted on their original rouge marble circular bases, and measure 10ins (25cms) high. Sculptor unknown but beautifully modelled. Priced for the pair.
