Pair of Antique French Carved Needlepoint Salon Armchairs

Price

Sold**Item Reference: SA282721****Date of manufacture: 1910**

Description

Pair of antique open arm French salon armchairs in walnut, with original needlepoint upholstery, hand tacked around the edges. The frames are sturdy & are nicely carved too. These chairs are in good original condition, especially for their age, which I would at around the 1910 period. The needlepoint upholstery is also in good original condition & has some lovely colours incorporated within it. The condition of the fabric is quite amazing considering the age. I've spotted one very small blemish on the seat (see the image). Width - 24", 60 cm Depth - 24", 60 cm Height - 34", 87 cm Seat height - 16", 41 cm PLEASE CHECK MY WEB SITE www.churchstreetantiques.net FOR MORE IMAGES & MANY MORE ITEMS
