

SA284160

18th Century French Cast Iron Fireback, with Royal Coat of Arms of France

Price

Sold**Item Reference: SA284160****Date of manufacture: 18th Century**

Description

An Antique French Cast Iron Fireback, probably 18th Century, cast with the ancient Royal Coat of Arms of France with a coronet over three fleur de lys within a shield. The border with a raised moulding and with one screw hole to the left of the coat of arms. In original condition, there is a (possibly oil) stain to the right hand side, a casting imperfection to one side on the back and a crack to the bottom rear, however this does not show through to the front). 61cm x 61cm
