Description

A fine quality flame mahogany 8 day longcase clock by Abraham Smith of Manchester c.1790. UK mainland delivery and installation is included in the price. A fully packed and insured air shipment can be arranged for worldwide destinations. Please visit our website for further details www.storyclocks.co.uk Case The high quality case of typical late 18th century Lancashire style, constructed of an oak carcass with the finest flame mahogany veneers and exquisite boxwood inlays throughout. The boxed swan-neck pediment hood with finely carved rosette paterae and carved cusp to the centre, with pierced fretwork beneath. The boxwood inlaid hood door flanked by turned and crisply reeded columns. The beautifully figured curled mahogany trunk door of gothic design with triple point and turned acorn finial to the centre, with fan inlay to the frieze above, flanked by Chippendale style bamboo columns to the trunk sides. The book matched veneered base with boxwood shell inlay and stringing, with canted corner and complex stepped mould, all set on four ogee bracket feet. Dial The beautifully executed arched japanned dial of "Wilson" manufacture, with Roman numeral chapter ring and...
