Sold**Item Reference: SA284342****Date of manufacture: 1700**

Description

FINE early 18th century heavy copper and brass jug of dovetailed construction. Lovely early shape jug with heavy brass rim and heavy thick copper handle. The body of the jug is dovetailed together in at least three separate places including a square original patch behind the handle. Looking at the construction, colour and shape this could easily pre-date the 18th century. SIZE; 5" diameter. 7" high
