Description

Early C19th Regency period gallery-top étagère or 'whatnot'. Fine quality 3 tier étagère constructed from an imported exotic hardwood of close-grain with striking figuring, either padouk or 'Gonzalo Alves'. Excellent condition and colour with finely-turned spindle sides and galleried top tier. Turned uprights surmounted with urn finials and delicate turned feet. The quality of construction, design and use of expensive 'Gonzalo Alves', all point to a possible attribution to Gillows of Lancaster. A smart piece of Regency design in a rare timber, would make a great drinks table. H 35" W 19" D 12". England c.1825
