Description

This is a fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Rotary. The 17 jewel manual wind movement is in lovely condition. The dial with date and gilt hands are completely original. The glass and case are totally unmarked and new Hirsch strap has been fitted. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new leather strap. The case has a full set of British 9ct gold hallmarks. The watch is full size gents measuring 34mm in diameter not including the crown. The watch movement has been fully serviced and is guaranteed to be a genuine Rotary in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for a...
